

## The objectives of this CD-ROM

Production are threefold.

- ◆ First is to acquaint people with the design principle of the Korean Global Script, *Nurigeul*.
- ◆ Second is to enable people to read *Nurigeul* within 60 minutes of lesson by using illustrations explaining the design principles of *Nurigeul*.
- ◆ Third is to apply *Nurigeul* for:
  1. Literacy Program for Nonliterate people;
  2. Creating Scripts for Preliterate languages without writing systems;
  3. Transcribing the Bible in the languages of Unreached People.
